TERRY WOODS, LEFT, AND EARNEST DAYE were instrumental in the Raiders 34-14 win over the Brookville Bees Friday night.

Woods scored 28 points on three touchdowns, two field goals and four extra points. Daye blocked a Brookville punt, recovered a fumble, had four solo tackles and two assists.

Raiders Upset Bees 34-14

According to the experts, Appomattox was not supposed to beat the Bees, but somebody forgot to tell the Raiders so they put 34 points on the board and held Brookville to 14 which adds up to a big Seminole District win for A.C.H.S.

Earnest Daye, coming across from his defensive end position, blocked the first Brookville punt of the night, giving the Raiders the ball at the Bees 19 yard line. Failing to make any yardage on the ground, Byron Roach, on third down, passed to Terry Woods with the play carrying to the two. On second down Woods carried in from the 1 for 6 points then kicked the PAT for a 7 point Raider lead with 6:23 left in the first period.

After taking the following kick-off, the Bees fumbled on their first play from scrimmage and Daye promptly fell on the ball at the Bees 32. It took eight plays and another key pass from Roach to Woods from Woods crashed in from the three for the Raiders second TD of the period. Again Woods was called on to kick the PAT and again he came through. Raiders 14 Bees 0.

After Carl Carbonnell plucked a Phil Vassar pass out of thin air for 36 yards and a Brookville touchdown early in the second period the margin was cut to seven points, but the Raiders were not through as Woods added a 30 yard field goal to put Appomattox back in front by 10 at the half.

The teams pretty much traded the pigskin back and fourth in the third period with Woods second field goal of the night (31 yards) the only score, but things began to happen in the fourth quarter when Roy Trent intercepted a Brookville pass near midfield and lugged it back to the Bees 17. Five plays later Woods scored from the 1, kicked the PAT and had himself 27 points for the night.

Simmons Spain put another 6 points on the scoreboard for the Bees with a 10 yard run and Micky Fuqua added the point with the clock ticking down. Brookville tried an onside kick that failed but managed to stop the Raiders short of a first down and got the ball back deep in their own territory.

With Brookville trying desperately to score through the air, Steve Poole stepped in front of an intended receiver at the 23 and ran an intercepted pass all the way back. Woods kick made the final score 34 - 14.

Roach again had a good night in the passing department with 9 completions in 14 attempts for 128 yards.

Gus Paulette punted four times in the contest and averaged 48 yards. Paulette, Daye and Kevin O'Brien led the defensive unit that kept the Raiders in good field position most of the night.
